

19'th Nordic Particle Physics Meeting

Spåtind, Norway 4-10 January 2006

The 19'th version of the traditional Nordic Particle Physics Meeting will take place, as always, in the Spåtind Høyfjellshotel in Spåtind, Norway, between 4-10 January 2006. The scientific programme will start on Thursday morning, 5 January, and end on Monday evening, 9 January. The programme is composed of lectures and overview presentations of front-line topics in particle- and astroparticle physics, as well as contributed talks. The homepage can be found in

<http://www.hep.lu.se/spatind2006/>

mail: spaatind@hep.lu.se

Registration deadline: 15 Nov 2005. Deadline for abstracts: 15 Nov 2005. Possibility for financial support for students.

*The 19'th Nordic Particle Physics Meeting Spåtind 2006 is organized jointly by Swedish physicists and the Nordic LHC Physics Network:
Lars Bugge (Oslo), Paolo Di Vecchia (NORDITA), Paula Eerola (Lund),
Tord Ekelöf (Uppsala), Sten Hellman (Stockholm), Katri Hui'u (Helsinki),
Hans-Åke Gustafsson (Lund), Cecilia Jarlskog (Lund), Per Osland (Bergen),
John Renner Hansen (NBI), Torbjörn Sjöstrand (Lund)*
