

# IT services access for Geant4 course participants

## 1) Two wireless networks available:

- **eduroam**
  - Just login with your Eduroam credentials
- **LU weblogon (key: lu2014-1)**
  - Insert wireless key: **lu2014-1**
  - Access <http://www.lu.se> with your browser
  - Insert WiFi username/password you received on the browser page
  - **Note:** case matters!

## 2) Accessing Iridium cluster

- Hostname: **pptest-iridium.lunarc.lu.se**
- Use username/password as in the paper you received
  - **Note:** case matters!

**Warning:** accounts will be *kept one week* after the course ends, then **deleted**. Copy your work on your laptop! (use e.g. [scp](#) of [Filezilla](#))
