IT services access for Geant4 course participants

- 1) Two wireless networks available:
 - eduroam
 - Just login with your Eduroam credentials
 - LU weblogon (key: lu2014-1)
 - Insert wireless key: Iu2014-1
 - Access http://www.lu.se with your browser
 - Insert WiFi username/password you received on the browser page
 - Note: case matters!
- 2) Accessing Iridium cluster
 - Hostname: pptest-iridium.lunarc.lu.se
 - Use username/password as in the paper you received
 - Note: case matters!

Warning: accounts will be *kept one week* after the course ends, then **deleted.** Copy your work on your laptop! (use e.g. scp of Filezilla)
