

IT services access for Geant4 course participants

1) Two wireless networks available:

- **eduroam**
 - Just login with your Eduroam credentials
- **LU weblogon (key: lu2014-1)**
 - Insert wireless key: **lu2014-1**
 - Access <http://www.lu.se> with your browser
 - Insert WiFi username/password you received on the browser page
 - **Note:** case matters!

2) Accessing Iridium cluster

- Hostname: **pptest-iridium.lunarc.lu.se**
- Use username/password as in the paper you received
 - **Note:** case matters!

Warning: accounts will be **deleted** *one week* after the course.

Copy your work on your laptop! (use e.g. [scp](#) of [Filezilla](#))
